## Our Vision

The vision of North Dakota Discipleship Camp is equipping young men and women with the doctrinal and practical tools they need to live a consistent Christian testimony despite the trials and temptations they face in this world.

## Teaching

The week's main activity is Bible instruction that challenges the heart and the mind. The twenty-seven sessions—two Sunday evening and five daily Monday through Friday—will be divided between hands-on Bible study and formal Bible teaching.

This year the students will be studying 2 Peter, and they are encouraged to read through this book a few times before they come.

The Bible teaching will focus on the themes of this book as Christian living in this dark world, false teachers, the second coming of Christ, and the new heavens and earth.
