## Our Vision

The vision of North Dakota Discipleship Camp is equipping young men and women with the doctrinal and practical tools they need to live a consistent Christian testimony despite the trials and temptations they face in this world.

## Teaching

The week's primary activity is Bible instruction that challenges the heart and mind. The twenty-seven sessions—two Sunday evening and five daily Monday-Friday—will be divided between hands-on Bible study and formal instruction.

This year the students will be studying 1 Thessalonians, and they are encouraged to read through this book several times in preparation.

The Bible teaching will focus on Christian living in this dark world, false doctrine, persecution, the wrath that is coming upon the world, and the rapture of the church.
